TERMS OF REFERENCE (TOR)

REQUEST FOR QUOTATION FOR INTERNAL AUDIT OF QUARTER 3 & QUARTER 4 OF 2021/22 FINANCIAL YEAR

The National Electronic Media Institute of South Africa (NEMISA), a schedule 3A Non-Profit Company, would like to invite suitably qualified internal audit firms to apply for the provision of outsourced internal audit services for a period of three (3) months.

1. BACKGROUND

NEMISA derives its mandate from the Department of Communications and Digital Technologies (DCDT). NEMISA's mandate is to deliver training programmes for the supply of needed skills to the creative media industry including the broadcasting sub-sector. NEMISA is also required to deliver training programmes in digital technologies to various sectors of the economy and South Africa's citizenry. As a state-owned schedule 3 entity, NEMISA is governed by the PFMA and is required to maintain good governance and internal controls. An internal audit function is one of the capabilities required to achieve the above. It is within this context that NEMISA requires the services of an Internal Audit service provider over a period of three months ending 31 March 2022.

2. OBJECTIVES AND SCOPE OF THIS ASSIGNMENT:

The objective of this RFQ is to appoint a suitable, independent service provider to provide the following services:

- a) Conduct an audit on Quarter 3 & Quarter 4 in line with the approved internal auditor's plan
- b) Conduct an audit on Quarter 3 & 4 performance reports
- c) Conduct an audit on Quarter 3 & 4 financial reports
- d) Audit reports directed to ARC detailing its performance against the plan to allow effective monitoring and intervention, when necessary.
- e) The Internal Audit Function must coordinate with other internal and external assurance providers to ensure proper coverage and minimal duplication of effort.
- f) The Internal Audit Function must attend all ARC meetings and provide ARC feedback as required, except when ARC is deliberating on a matter(s) concerning the firm or matter(s) in which the firm is conflicted; the firm will need to be recused for that matter(s).

Fraud and Irregularities

In planning and conducting its work, the Internal Auditor should seek to identify serious defects in internal controls, which might result in possible malpractices.

Any such defects must be reported immediately to the CEO and/or ARC without disclosing these to any other staff.

3. EXPECTED OUTCOMES AND DELIVERABLES

Reporting

The structure of the internal audit reports should be as per the professional standards of internal auditors including the quality review requirements and must include the following as a minimum (the order may differ):

- Introduction.
- Audit objective and scope.
- Background.
- Executive summary, highlighting significant findings.
- Findings, recommendations and management response (including implementation dates);
- All audits as carried out according to the Internal Audit Plan and as approved by ARC; and
- Conclusion by the Internal Audit.

4. LIAISON WITH EXTERNAL AUDITORS

The Internal Audit service provider will be expected to maintain a close working relationship with the external auditors on matters of mutual interest and to provide them with copies of all formal internal audit reports. The external auditors must be allowed access, on request, to all internal audit working papers and final/draft reports.

As part of their remit, external auditors will make an annual assessment and report on the performance of internal audit, based on the objectives set out in the annual internal audit operational plan. The external auditors will decide whether to place reliance on the work of internal audit and consequently whether to reduce the scope and/or coverage of their own work based on this assessment.

5. QUALITY ASSURANCE REVIEWS OF THE WORK

The auditor shall ensure that all work conforms to the Institute of Internal Auditors (IIA) Standards for Professional Practice; this may require that such work be subjected to external quality assurance, and this may be conducted at any point or time during the contract period as work is performed. The appointed firm should ensure quality review processes are in place and that quality reviews are executed.

6. MONITORING THE PROGRESS OF ASSIGNMENTS

On completion of each assignment, the auditor shall distribute the reports to ARC and the CEO as soon as possible.

Quarterly progress reports on findings and audit action plan will be shared on quarterly basis with EXCO to adequately manage performance thereof.

On a monthly basis, a report on progress against the plan, significant findings and administrative matters will have to be shared with management.

On a quarterly basis, a report on progress against the plan, significant findings and administrative matters will have to be presented to ARC.

7. INDEPENDENCE AND OBJECTIVITY OF STAFF

The firm appointed needs to be independent from NEMISA and its employees, ARC and the Board. As such, no bids will be considered from any firm or person that is related to NEMISA and/or any of its employees, including any close family member to the aforementioned. This includes independence from the current and future NEMISA employees, Board members and ARC members.

In carrying out the work, the auditor must ensure that their staff members maintain objectivity by remaining independent of the activities they audit.

8. FUNCTIONALITY

Proposals will receive further consideration if they score at least 85 minimum points out of the 100 points on technical criteria as listed above and achieve a subminimum of 3 (average score) in each criteria.
